- Two current and valid Proofs of Residency (see [hallco.org](http://hallco.org) for POR information) are required and should be attached to this form for school verification.
- Hall County Schools does not provide bus transportation to and from school for transfer students; parents are responsible for transfer student's transportation to and from school.
- A new student must first register in the school attendance zone where he/she lives.
- Approval for one child to enroll out-of-zone is not applicable to other children in the same family.
- In order for transfer enrollment to continue, parents are expected to maintain a collegial relationship with school staff and to support school policies and procedures.
- With approval of Superintendent or his/her designee, principal may request that out-of-zone attendance be terminated based on one or more of the following reasons:
  - Discipline issues
  - Excessive absences, tardies, or late pick-up of student
  - False information is given on the application form or other records; or Other just cause
- **GHSA:** As governed by the Georgia High School Association (GHSA) By-Laws, a student who has **not yet** established eligibility at a member high school will be eligible to play in varsity competition for the first year of enrollment. If a student transfers to a Hall County School after having established eligibility in 9<sup>th</sup> grade (or after) by enrolling in another GHSA member school, then he/she will not be eligible to play in varsity competition for a full year. Unless there is a bona fide move, if after having established eligibility, a student then transfers to a different school, then he/she will not be eligible to play in varsity competition for a full year from the date of transfer. *Please see the GHSA guidelines for further information.*
